AVOX SYSTEMS TECHNICAL PUBLICATIONS INDEX

VENDOR CODE 53655

HIGHLIGHTS

R	This document replaces INDEX-001 dated 20070315, revision 10. An "R" in the left column indicates a major change to the Index, such as a new document or revision date. A CMM that covers more than one Part Number is listed where each Part Number appears in the Index By Part Number. The Revision number is now located at the bottom left of every page.

REQUESTS FOR TECHNICAL PUBLICATIONS

- AVOX Systems technical publications are distributed only to aircraft operators and only for those components installed on aircraft they own and operate.
- Only operators of certain aircraft makes and models can receive technical publications.
- Aircraft covered by a PSA entitle operators to manuals FOC; other operators are charged for manuals.
- All requests for technical publications need to include:
 - exact and complete component part number, and
 - aircraft make and model information.
- Submit requests in writing to either:
 - e-mail: avoxtechpub@avox.zodiac.com
 - fax: 1-716-681-1089
